We are happy to Announce we received a \$5000 grant from the WV Spay & Neuter Assistance Program. This grant will help to spay & neuter feral and stray cat colonies in Harrison County. Only by spaying & neutering with this T N R (trap/neuter/release) grant can we help control the over population of these innocent lives. More information will be posted on our website and Facebook soon.

WELCOME SPRING

Hi my name is Fred Fuquay, and I am a kennel tech at the HSHC. I'm 34 years old and developed a passion for animals when I was a young boy. I was inspired by my father who was a professional dog trainer / wolf breeder. Growing up I was literally raised with wolves. As I grew older I only found my passion growing even stronger. Working at the Humane Society has taught me a lot of different things. Some things for the good, and some for the bad, but all life experiences I will never forget. My hobbies include outdoor activities like fishing, kayaking, hiking, also shooting guns, and playing video games. My other passions are my friends, family, and pets Buddy & Phelps which I adopted from the Humane Society .

Pets are not our whole life, but they make our lives whole.

Did you know?

We use Purina Brand foods because switching brands continuously upsets our pets' digestive systems. Maintaining them on ONE food is healthier for them, and easier for us.

We really need canned puppy food!!
