***You can't buy love,
but you can rescue it!***

*The Humane Society of Harrison County, Inc.
and The Martino Home for Cats & Dogs*

Those of you that have been to the shelter in the past 4 1/2 years have met our house dog, the little tan Dachshund. He was literally tossed out like garbage out of the owner's car window into Animal Control's parking lot, where he was caught by one of the AC staff. Once 'surrendered', HSHC staff Frankie & Joe met him, we knew he had to be our dog mascot (at the time we had only a cat mascot Hobs). We decided to change his name to help him forget his past (he didn't seem to care for the old one anyway), and with his beautiful creamy caramel colored coat decided on Werthers (like the candy). He definitely fit the original part in his personality! Werty was one of our pack, loved by everyone who met him, and most dogs & cats too. He had a loud indoor voice, he adored food, he enjoyed scouring the fence line for locusts to crunch on, he enjoyed his trips to Home Depot and Lowes looking for flowers, and he especially loved his home with staff Joe over the past five years. He has been to schools, in parades, and has represented the HSHC well. He had been recently diagnosed with Spleen and Liver cancer, so we knew his time was short. But as anyone who knows Werty - he was small in stature but mighty in strength. He was smothered with love, treats, and rest this past until dad Joe knew it was his time. We will miss him. As the Werthers Original commercial song goes: "When one who loves you says to you: You're someone very special too." Werthers the Original (aka Wert, Werty, Werty Squirty, and so many more) HSHC Gotcha Day 11/13/2015 to Rainbow Bridge 4/27/2019. Approximately 15-1/2 years old

DOG DAYS OF SUMMER!

An amazing year here at the Humane Society of Harrison County!!

We have had our kitten room expanded and our fence line extended and made into two big play areas. We are always on the lookout for great ideas to make a happy and healthier place while in our care.

Our ultimate goal is to place our pets in the best homes for them, so that they are furever homes.

We also have had some major medical bills this year, including an two amputations (from old untreated injuries), parvo, Lyme’s disease, and so much more. It is costly, and with CoViD closing our doors for quite a while, we have struggled financially. But as always our supporters have enabled us to help these furbabies.

We also increased adoption prices this year, to keep up with the cost of basic vet care we give, including spay/neuter, vaccines, and dewormer, and now including microchip.

We cannot do this without the support of our staff, volunteers, Board Members, Adopters, Donators, School and Civic Groups. We just keep growing, and hope to help even more animals in the upcoming year. We are going to start trying new fundraising ideas as well, so keep you eyes and ears open!

We use Purina Brand foods because switching brands continuously upsets our pets’ digestive systems. Maintaining them on ONE food is healthier for them, and easier for us.

Please Join The Humane Society of Harrison County For 2nd Annual

ELIMINATION DINNER

Saturday February 8th, 2020

Sunny Croft Country Club Rt 19. Clarksburg

Tickets on Sale in January
Watch Facebook or call 304-592-1600

Thank you to Harry Green for donating the grand prize.

Thank you all for participating in our 2nd Annual Elimination Dinner! We were sold out days before the dinner. Our last five tickets remaining chose to split the \$1000 grand prize so each received \$200 :

Patty Saunders
Jill Second
Amanda Leaseburg
Heather Mick
And Renee Benz who donated her \$200 back to the shelter.

We raised over \$6000 with this event which goes to help the animals of Harrison County.

We also received a LOT of donations that helped earn someone a second ticket. There were several hundred pounds of food and litter donated.

As our yearly fundraiser Dance into Spring Event with Rick K Road Trip had to be cancelled this year due to the coronavirus, our staff has been hard at work trying to come up with online fundraisers to make up for that huge loss of money. One of our best ones was a 6 Feet Apart but Together at Heart photo contest fundraiser in April. People could submit their photos to a website, which was then voted on by the public. We raised over \$3000 with this, fundraiser. The winner choose a picture blanket, and the runner up choose a canvas print of their winning photos. We appreciate everyone who participated, and may plan a costume photo contest close to Halloween. So keep your eyes open for a posting through email and Facebook about that.

With the loss of our thrift store income, we will be looking to make up that \$50,000+ income in many ways, including different fundraisers, utilizing existing fundraisers such as online with Facebook, and other monthly ways. Please explore the program below (Round Up App), perhaps consider doing a monthly donation through your bank, or if you have ideas you would like to see us do, please contact us.

To the Friends and Patrons of the Humane Society Thrift Store

Thank You

Sadly, we are announcing that the Thrift Store on Milford Street will close indefinitely due to the Corona Virus.

For many years, the community has strongly supported the Thrift Store and the animals cared for by the Humane Society. We thank you from the bottom of our hearts for all that you have done to help us care for the neglected, injured, lost and stray animals in our area.

We will miss seeing all of you in the months ahead. Many of you have become dear friends. But please know that when the Corona Virus threat subsides, and if we can find a good location, we hope to reopen the Thrift Store in the future.

With deepest thanks to all of our friends and patrons.

The Thrift Store Volunteers

What if you knew you could support your local homeless animals just by donating your spare change? We want to let you know about a new program that allows you to do just that - donate your change to be the change. Would you be a giver today?

It is so easy, just download the Round Up App, link your debit and/or credit cards, and when you make a purchase- it will round up to the next dollar and we get the rest.

You can also set parameters to cap a certain amount a month (Even \$1 or \$5 can make a HUGE difference). Then every month that spare change is sent to support the Humane Society of Harrison County.

Check out the link in bio to learn more. As always, thank you so much for your continued support and generosity!

AVAILABLE PET PHOTOS

We have a limited amount of space for animals.. So keep on adopting and helping us to save more lives. For every pet you adopt, you save a life, because we can pull a new one into our facility. If you can't adopt, then volunteer, donate, and educate!

Together we can, and are, making a difference!

Resident here since Oct 14, 2018

Kyrie is a 2 yr old that was mom to some of our kittens. All the kittens were adopted, and Kyrie has now been here over a year with no interest. She would love a house with a room to herself, and lots of wet food, treats, and toys! She is definitely not a lap cat, but that doesn't mean she doesn't deserve the best home ever. She also would do best in a home with no dogs, and probably no cats (although she coexists with cats at the shelter). She is up to date on vaccines and wormer. Spayed. Felv/five negative.

Introducing Santana 2.0. We've done a lot of behavioral work with him and he's made huge strides. With proper introduction he seems to be dog friendly and loves horsing around. He still doesn't know his size and can be a bit of a bull so he'll need to be with another dog of comparable size that can hold its own and we will require a meet and greet. Santana can still be defensive of taller/bigger people sometimes but he warms up with proper introduction. This big boy just need some TLC and for someone to teach him how to be a dog. If you come see Santana at the shelter he acts defensive in his kennel but if you ask a staff member to get him out he's nothing but a love bug. Please don't forget this behavior is not uncommon in a shelter setting. Don't judge him or any of our dogs by their kennel behavior. Santana is a 3 year old Red lab mix weighing in at 70lbs. He's up to date on vaccinations, neutered, microchipped and ready to find his furever home. His adoption fee is \$125.
