

Cat & Dog Storage Room Sponsor \$4,000

Properly caring for the animals requires storing the necessary supplies, food, and other items of comfort. Please help us achieve adequate space to store all that we need.

Outdoor Kitty Enclosure Sponsor \$7,000

Assist us in allowing our cats to get fresh air and enjoy the great outdoors via new exterior cat enclosures. Now kitty can roam inside or outside and still be safe. Two sponsorships are available at this level.

Bathing/Grooming Room Sponsor \$7,700

Help each animal look his or her best for potential adopters, thus increasing their chance of adoption.

Recovery Room Sponsor \$8,000

Currently, when our animals undergo surgery we do not have a room for them to recover comfortably. However, with your assistance, that can change.

Cat Isolation Room Sponsor \$8,000

The Cat Isolation Room is for new cat residents. It provides an area to evaluate health, vaccinate, and spay/neuter before releasing the cat into the general population. This is an extremely important area of the shelter, as it helps us ensure that all the pets are healthy and prevents the spreading of disease or illness.

Dog Isolation Sponsor \$8,000

The Dog Isolation room serves the same purpose as that of the Cat Isolation room. Again, we cannot stress how important having a separate room for new arrivals is in regards to the current animals' overall health.

Kitty Comfort Sponsor \$8,000

Cat Colony Rooms: instead of a room filled with stainless steel cages, cats can snooze on sofas, perch on ledges, or gaze out the window. Colony Rooms resemble more of a resort hotel than a typical kennel. In addition, the cats' socialization skills increase and adoptions sky rocket. Two sponsorships are available at this level.

Surgical Room Sponsor \$10,000

Currently, all of our surgeries are performed in our washroom area. But with your help, we can provide a sterile and safe environment in which to perform the required surgeries.

Halfway Home to You

**Expanding Our Facility
So We Can Expand
More Families**

*We don't just place pets.
We complete families.*

Bringing More Animals Halfway Home To You

Each year the HSHC, which is a “no kill” shelter, rescues and places about 800 dogs and cats from the Animal Control Center. Sadly, Animal Control still euthanizes over 2,800 animals annually in Harrison County alone.

In order to rescue and place additional animals, the HSHC is undertaking an expansion project. The new addition to the shelter will provide numerous improvements including nine extra indoor/outdoor dog runs, a surgical suite, and a state-of-the-art facility for cats.

But in order for us to accomplish our goal, we require your generous support. This is an opportunity for businesses, clubs, school groups, and individuals to help save lives and make life better for our animals while they await their new family.

Donations can be made electronically through our website at www.hshc.org. Or, you can mail a check to:
