

DEAR SUPPORTER:

On June 16th, 2018 bikers and animal lovers from all over the United States will ride in the **17th Annual Hogs for Dogs WV Dice Run** to benefit the Humane Society of Harrison County in WV.

Hogs for Dogs is one of our largest annual fundraisers in which bikers rally together to raise money for homeless animals and raise awareness regarding the animal abuse and neglect in our local communities.

Your business can take part in this exciting event by returning this form, indicating the level of the sponsorship you would like to support.

I am reaching out to ask you to please consider donating to our cause. In addition to saving animal lives, your business will be recognized as a charitable, community minded partner.
